

Project Due Date: _____**Life Science Skeleton Project****Templates Needed: What Needs To Be Labeled:**

- | | | |
|------------------------|-----------------------|------------------|
| 1. skull | 1. cranium | 36. right femur |
| 2. ribcage | 2. frontal | 37. left femur |
| 3. right humerus | 3. nasal | 38. right tibia |
| 4. left humerus | 4. zygoma | 39. right fibula |
| 5. right radius/ulna | 5. maxilla | 40. left tibia |
| 6. left radius/ulna | 6. mandible | 41. left fibula |
| 7. right hand | 7. cervical vertebrae | 42. right foot |
| 8. left hand | 8. thoracic vertebrae | 43. calcaneus |
| 9. pelvis | 9. lumbar vertebrae | 44. talus |
| 10. right femur | 10. clavicle | 45. tarsals |
| 11. left femur | 11. scapula | 46. metatarsals |
| 12. right tibia/fibula | 12. manubrium | 47. phalanges |
| 13. left tibia/fibula | 13. sternum body | a. proximal |
| 14. right foot | 14. xiphoid process | b. middle |
| 15. left foot | 15. ribs (1-12) | c. distal |
| | 16. costal cartilage | 48. left foot |
| | 17. right humerus | 49. calcaneus |
| | 18. left humerus | 50. tarsals |
| | 19. right radius | 51. talus |
| | 20. right ulna | 52. metatarsals |
| | 21. left radius | 53. phalanges |
| | 22. left ulna | a. proximal |
| | 23. right hand | b. middle |
| | 24. carpals | c. distal |
| | 25. metacarpals | 54. coccyx |
| | 26. phalanges | |
| | a. proximal | |
| | b. middle | |
| | c. distal | |
| | 27. left hand | |
| | 28. carpals | |
| | 29. metacarpals | |
| | 30. phalanges | |
| | a. proximal | |
| | b. middle | |
| | c. distal | |
| | 31. pelvis | |
| | 32. ilium | |
| | 33. ischium | |
| | 34. pubis | |
| | 35. sacrum | |

You must put your name on the back of the cranium!
